2. National Insurance number
   Check whether you have a National Insurance number and apply for one from the government if you need to.

3. Check out our webpages!
   Have a look at our Careers and Employability web pages to learn more about ways to secure experience and develop your career alongside your studies

4. UKCISA support
   UKCISA has useful information on a huge range of topics, from information about visas to advice on opening a bank account in the UK

5. Workers rights and wages
   Learn about the rights workers have under UK Law, including the right to be paid the minimum wage and other employment rights (students with part-time jobs are covered by the same laws as full-time permanent staff)
