

Global Graduate Job and Internship Opportunities

Are you are looking for a career with an international focus? Do you want to travel with your job? Work overseas? Do an international internship? If so the opportunities below are for you!

This resource is a general guide to help you explore your options for developing a global graduate career. It is provided in good faith and does not represent a University of Huddersfield endorsement of these programmes. Please check the weblinks provided for further details including eligibility requirements, deadlines and application procedures.

Graduate Schemes with international placements

These schemes include international placements and/or opportunities for a future international career. Research them in advance to ensure you don't miss closing dates and be prepared for a competitive application process – remember to come to the Careers Service for support with your applications!
