As a student with ASC, we will work with you throughout your studies to identify the support and adjustments you require and make sure they are put in place quickly and effectively. This leaflet outlines some of the support that is provided by Disability Services and by other departments across the University.

Disability Advisers

- One-to-one meetings
- Same day appointments and advanced booking appointments available
- Preparation of your Personal Learning Support Plan (PLSP)
- Guidance in applying for support through the Disabled Students’ Allowance (DSA)
- Autism@HudUni support group run throughout the year.

Assessments and exams

- The right to request coursework extensions
- Extra time in exams
- Use of a computer in exams.

Teaching and Learning

- Materials in advance of teaching sessions
- Support with group work
- Additional tutorials
- Linking you with key contacts in your school.
Placements

• Support to link with placement units and tutors
• Guidance on disclosure
• Support to identify what adjustments can be made whilst on placement.

Computing and Library Services

• One-to-one induction of library services and resources
• Support to link with academic librarians to access course related information
• Additional time to borrow library books.

Informing staff of ASC

Your Personal Learning Support Plan will be created by your Adviser and will be shared with all relevant staff at the University.

Wellbeing Services

• One-to-one support with emotional difficulties
• Group support and workshops.

Disabled Students’ Allowance (DSA)

The Disabled Students’ Allowance is a fund available to students with a disability, including ASC. It can cover the cost of any equipment or support workers you may need to assist you with your academic studies. If you are eligible for the fund, you will be asked to attend an assessment to identify the support you require during your studies.

Careers and Employability

• Support when preparing a CV or application letter
• Help to identify what adjustments you may need in an interview
• Interview techniques
• Information about disclosing to a prospective employer.
