

## A guide to making Brightspace quizzes more accessible.

We recommend that the MS Edge Internet browser is used when accessing Brightspace. MS Edge is available for PC, laptops, Macs, Chromebooks and tablets and you can be downloaded Edge from here. Simply select your device from the drop-down list.

Read aloud can be used to read the text on the page in **two** different ways:

 Read aloud ALL the text on the page by right-clicking on the quiz and selecting Read aloud.
