

A Guide to Islamic Places of Worship in Huddersfield... ...for students

We are grateful to Shazad Hussain, for his hard work in putting together the information contained in this leaflet.

Huddersfield Interfaith Council is a forum within which friendships between people of different faiths and no faith can be fostered, and which works towards raising levels of religious understanding in Huddersfield.

Welcome to Huddersfield. We hope this information will help you to find a suitable place of worship and that soon you will feel at home here.

The University also provides Muslim prayer rooms on campus and the Student Union has an Islamic Society which uses these facilities. The prayer rooms are currently located in the Faith Centre and there are separate facilities for brothers and sisters.

The Faith Centre also has a large Community Room, with sofas and tea and coffee making facilities. It's a little oasis of space on a busy campus where you will always find a friendly face. The Faith Centre is building 19 on the campus maps.

We look forward to welcoming you.
